

Little Pros Academy and CASL Announce Partnership

CARY/RALEIGH, N.C. – Little Pros Academy and CASL announced today the start of a partnership to deliver the CASL Little Pros Academy Mini Kickers Program.

Under this partnership the Mini Kickers program which serves ages 6 and under will be renamed the CASL Little Pros Academy Mini Kickers program. Little Pros Academy will provide use of their “turf” soccer fields at designated Little Pros Academy facilities and will rename them to the CASL Little Pros Academy Mini Kickers Field.

Michael Sullivan, Chief Operating Officer for Little Pros Academy said “One of the cornerstones of our preschool program is a Movement and Sports program that is offered in our indoor gymnasium and outdoors “turf” sports fields. This unique approach integrates learning, health, fitness and movement with non competitive sports activities including soccer, t-ball, golf, basketball and gymnastics and ensures the proper development of skills critical to growth of young children. “

“We are delighted to be partnering with such a reputable organization as Capital Area Soccer League (CASL) who is recognized as the premier soccer club in the greater triangle area. Their commitment to youth in this area is unparalleled and their mission of helping young children develop self-esteem, confidence, team work, and respect for others ties directly into the values we promote in our preschools.

“We are excited to be working with CASL and offering the under 6 CASL Little Pros Academy Mini Kickers programs on our sports fields. **As a benefit to CASL families we will be offering free registration and one week of free tuition at Little Pros Academy on all new enrollments.**”

CASL Chief Executive Charlie Slagle said “CASL is proud to forge this relationship with Little Pros Academy. Our missions are similar at these tender ages; to provide an active, safe and fun learning experience. Fun is the name of the game at these ages and children have fun when the program is organized and safe. Soccer is the best “starter” sport as it is team oriented with plenty of movement. It is a great deal of fun to watch these kids in their mini games where one ball is chased around by six fun-loving children. CASL is pleased to be sharing this developmental program with the preschool experts of Little Pros Academy!”

Little Pros Academy headquartered in Cary, North Carolina is a five star provider of exceptional preschools with several locations serving the greater Raleigh area. They have been in business locally since 1999 and have been operating the KidWorks childcare facility for Wake Medical Hospital since 2002. The Capital Area Soccer League was incorporated in 1974 as a 501(c) (3) non-profit. The mission of CASL is to provide instructional and competitive youth soccer opportunities that enhance the character, community and love of the game of soccer. Integrated in this is the building of self-esteem, self-confidence, team work and respect for self and others, and all the inherent benefits of physical exercise.
